

Hilton PS Plan for Growth: Purpose, Values & Focus 2021-2024

Hilton Primary School has a long and respectful association with Noongar culture. We acknowledge that our school is on Wadjuk Noongar land and that we are the current custodians of this land, to be shared with all who come here. We acknowledge the richness of Wadjuk Noongar culture and the significance of First Nations people in the past, present and future. We strive to walk the journey of Reconciliation with First Nations people and continue to respect the contributions of Indigenous and Non-Indigenous people to the education of students, staff and families at Hilton Primary School.

Hilton Primary is an Independent Public School, established in 1950 and still flourishing. The 11th September 2020 was the 70th Anniversary of our lovely school, which was previously known as Hilton Park Primary School. During 2021, for the first time in our 70 year history, we engaged in the Public School Review process. This was a significant event in the growth of our school. To prepare, our staff, students and parents/carers completed a detailed self-reflection process, submitted in a format known as the ESAT (Electronic Schools Assessment Tool). We reflected on six domains and provided evidence of our current status in our continuous improvement journey. We welcomed two reviewers to validate our self-assessment against six domains:

- Relationships and Partnerships
- Learning Environment
- Leadership
- Use of Resources
- Teaching Quality
- Student Achievement and Progress

Hilton PS Staff, Year 5-6 students and our School Board engaged in a thorough self-reflection process. We collaborated to develop a *Plan For Growth*, for the next phase of Hilton Primary School development: 2021-2024. Our revised purpose statement aligns with our commitment to further growth and development:

Every child's learning is nurtured every day.

Our *Plan For Growth* particularly addresses the Public School Review recommendations and actions for the next 12 months. Both are available as links on our Hilton PS website and on DOEWA Schools Online. We are excited and motivated by our next Public School Review, about July 2022, when we anticipate sharing significant changes across the six school domains. We invite you to contact the school Principal on Carmel.Bochenek@education.wa.edu.au or school Board members for clarification of our Plan for Growth.

Current and prospective families are very welcome to visit our school to experience our values of Community, Care, Inclusivity, Creativity and Sustainability. Our students will explain our expected behaviours, our Triple Cs of Courtesy, Consideration and Cooperation. They will happily tell you what they love about Hilton Primary School.

PLAN FOR GROWTH 2021-2024

Hilton PS is part of the Public School System in WA: “Every student, every classroom, every day”

VISION: At Hilton Primary School, every child’s learning is nurtured every day.

VALUES: Community, Care, Inclusivity, Creativity, Sustainability

Our shared beliefs about high quality teaching & learning at Hilton PS...

Excellence in Teaching Learning supports and challenges our children to grow	Our positive partnerships nurture a “culture of growth”	Our school is “a great place to learn and grow”
Our Teaching & Learning is: Evidence-based Informed by data Collaborative	This means: Respectful Relationships Staff-Students-Families-Community Distributed leadership	Hilton PS is: Dynamic Safe: Physically, culturally & emotionally Sustainable & nature-based

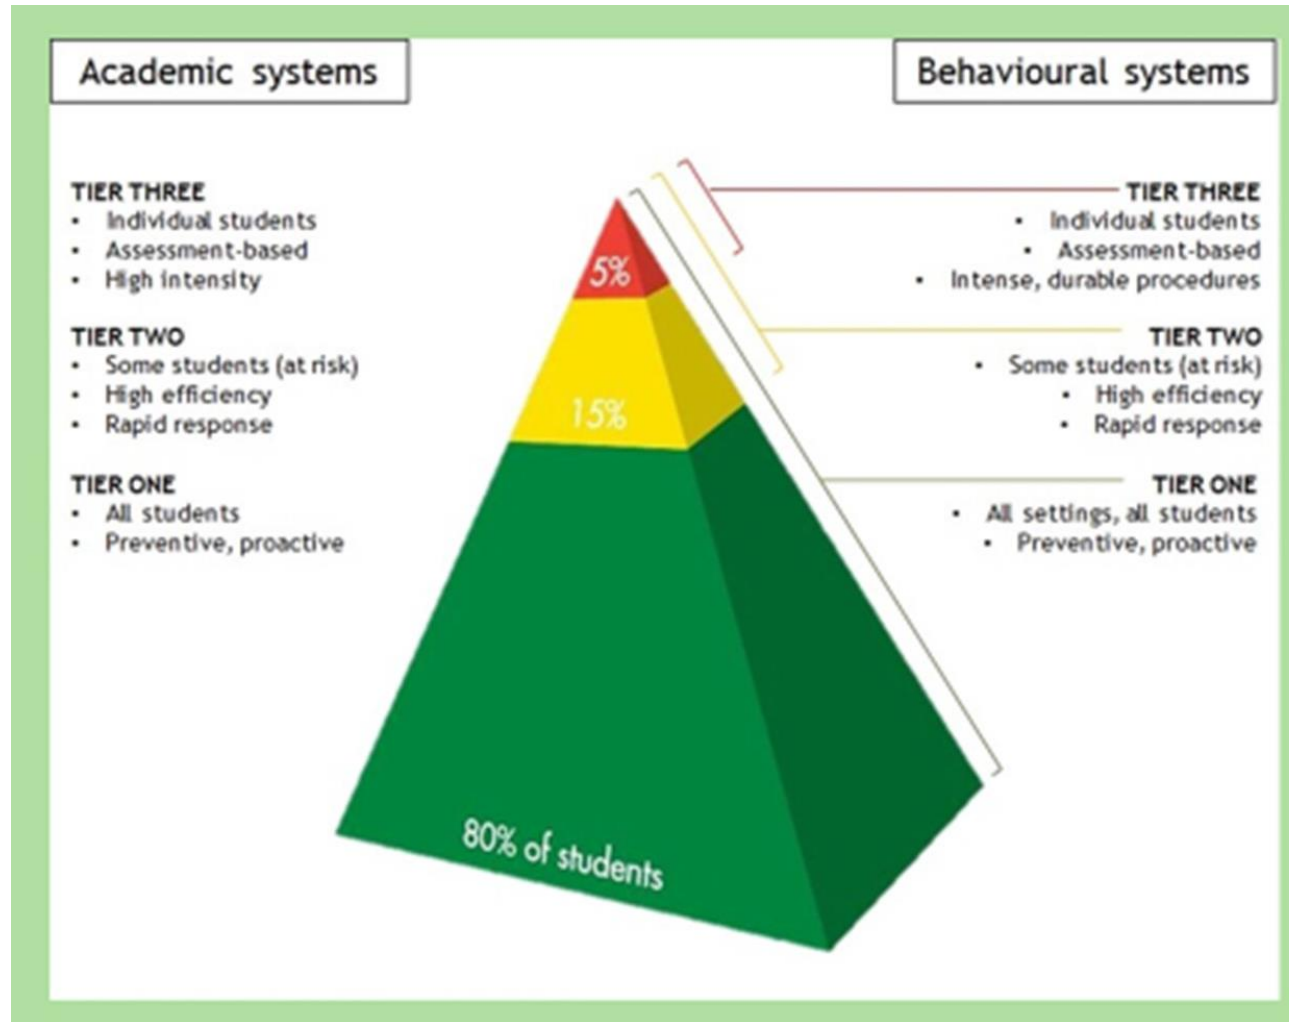

We use data to plan, implement & reflect on growth

We plan	We connect	We use data
Plan for Growth 2021-2024	We build positive relationships	Growth in student numbers
Curriculum Teams	School Board governance	Exit surveys
Operational plans in each L.A	Parents & Citizens	National Schools Opinion Survey
Phase of Learning collaboration	Grounds Committee	Recruitment strategy
Data: student achievement/progress	Finance Committee	Workforce data
Whole school reflection & review	Positive Behaviour Support (PBS) team	Case management data
We use WA curriculum & data	We learn from one another	We self-reflect

We plan to manage students' needs using the **RESPONSE TO INTERVENTION: 3 Tiers model**

This is a framework for planning whole class, small group and individual teaching and learning. (adapted from Batsche et al, 2005)

Our PLAN FOR GROWTH aligns with recommendations from our PUBLIC SCHOOL REVIEW

Hilton PS is part of the Public School System in WA: **“Every student, every classroom, every day”**

VISION: At Hilton Primary School, every child’s learning is nurtured every day.

VALUES: Community, Care, Inclusivity, Creativity, Sustainability

We Plan for Growth in three focus areas

1. Excellence in Teaching Learning
supports and challenges our children &
staff to grow

2. Our positive partnerships nurture a
“culture of growth”

3. Our school is
“a great place to learn and grow”

Our Plan for Growth addresses the six domains of the Public School Review as shown below:

Relationships & partnerships
Learning Environment
Teaching Quality

(Distributed) Leadership
Use of resources
Student progress & achievement

We will record our progress over 12 months using our Plan For Growth tracking document.

All staff, students and families are challenged and supported to engage with our Plan for Growth
