

Consent Form

At **Hilton Primary School** we aim to offer your child the widest range of learning opportunities and celebrate learning whenever possible. This may often require some form of parental consent. This form asks you to consent (or otherwise) to your child's participation / use / access to several aspects of the school program. At all times we make the very best efforts to exercise exemplary standards in respect of duty of care.

	Yes, I give consent	No, I DO NOT give consent
MEDIA CONSENT Children's images and/or their work are often published to recognise excellence or effort and may appear in newspapers, on the internet, in newsletters or on film or video. Their names may also be included but no contact details are provided. Work/images captured by the school will be kept for no longer than is necessary for the purposes outlined above and will be stored and disposed of securely.		
INTERNET ACCESS Student access to the internet is provided in accordance with the school policy (available from the office or school website). Student access is contingent on abiding by the users' Code of Conduct.		
VIEWING CONSENT Children often watch videos / DVDs / television documentaries as part of their learning. Almost always these are 'G' rated and don't require consent. Very occasionally something with a 'PG' rating is appropriate for which we would need parental permission.		
LOCAL EXCURSIONS Children occasionally walk within the local area for minor excursions under the supervision of the teacher and attend activities in local parks, nature reserves, another school, city council library or shopping centre. On all occasions, parents will be notified of the local excursion.
